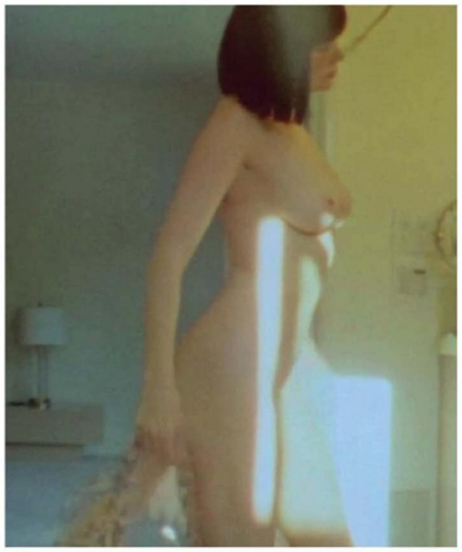
ROSE WITHOUT CLOTHES!

Rose McGowan has never struck us as the shy and retiring type. We've seen her turn up to events looking like she pretty much forgot to get dressed. But we didn't expect this. We're familiar with home interiors magazines, but ***Apartamento***, a posh one, went a bit further than the usual arty photos of next level fireplaces and sinks that cost £7000 when they got Rose to record a video for them. She seemed to forget all about interiors and instead focussed on her posterior, cavorting in the nude in a way that may not be particularly rhythmic, but certainly encouraged us to beat out a rhythm of our own. Then spunking everywhere. Damn, that is one hell of a body. BBC's ***Good Homes Magazine*** needs to step its tits game up.



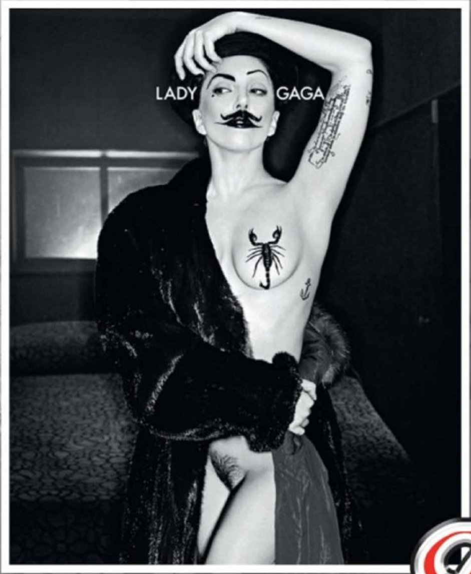
Damn, I hope it's them there witches of Eastwick!
SOUL CLEANSE SCAM
POLICE WARNING
SANTA FE

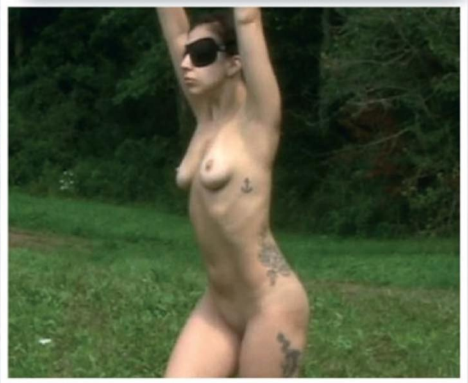
WHICH WITCH?

They say there's one born ever minute, but the internet has convinced us that there are several born every second. In Santa Fe, New Mexico, a gentleman was leaving a Walmart store when he was approached by three 'witches' who said he had a dark spirit following him and they offered to cleanse his soul. Being a tool, he went for it, handing over jewellery, cash and then cashing a $500 cheque. He obviously had buyer's remorse as, a couple of days later, he reported it to police who tracked down the witches who, bizarrely, failed to jet off on their broomsticks. The cash had gone but the jewellery was returned. Police said no crime had been committed, so didn't press charges. The dark spirit was unavailable for comment.

STING IN THE TAIL!

We're not going to be so predictable as to repeat all the blather about Lady Gaga being the new Madonna, but it is weirdly accurate. Slightly attractive, big dance routines, into new-age blather, one good song in ten. The best similarity is that she also doesn't seem overly fond of clothes. Some of her videos have been near the knuckle, and she was involved in a strange video for *The Abramovic Method (we couldn't begin to explain what that is, but it doesn't involve making lots of money in a dodgy Russian asset-grab and then sacking lots of football managers)* notable mostly for a glimpse of her box. Now she's posed with her growler out on the cover of ***Candy*** *('The First Transversal Style Magazine')* with a fake moustache and a tattoo of a scorpion on her boob. If you can airbrush out the 'tache, you just might be able to crack one out to it…





DISGRACEBOOK!

Rolando Lozano isn't the first criminal to be caught after goading police on Facebook and, judging by the intelligence of the average US criminal mind, he won't be the last. Damian and Rolando Lozano were reputed to have broken into 17 cars into one community on a Sunday. Police responded and arrested Damian immediately, but Rolando escaped detection. He popped up next on Facebook, baiting cops with 'Fuck all y'all hoes, im innocent, catch me if u can muthasuckas'. A couple of hasty tip-offs later, he was found hiding in a relative's house fully 15 minutes after his status update. The police couldn't help gloating with their own reply: "Rolando Lozano… we caught you five minutes after you posted this. Thank you to the community for your help!" We reckon he'll unfriend them.

THIS IS THE ULTIMATE HANDBOOK FOR MIXOLOGISTS LOOKING FOR INGREDIENTS THAT GO BEYOND EXOTIC FRUIT JUICES AND RARE SPIRITS.

DRIVEN BY A COMMITMENT AND PASSION FOR THE FRESHLY HARVESTED INGREDIENT, SEMENOLOGY PUSHES THE LIMITS OF CLASSIC BARTENDING. SEMEN IS OFTEN FRESHLY AVAILABLE BEHIND MOST BAR COUNTERS AND ADDS A PERSONAL TOUCH TO ANY COCKTAIL. THE CONNOISSEUR WILL APPRECIATE LEARNING HOW TO MIX SELECTED SPIRITS TO ENHANCE THE DELICATE FLAVORS OF PROSTATE MILK.

THE BOOK PROVIDES USEFUL TIPS THAT COVER EVERY DETAIL OF SEMENOLOGY, FROM MIXING AND PRESENTATION TO HARVESTING AND STORAGE ADVICE.

PAUL "FOTIE" PHOTENHAUER
SEMENOLOGY
THE SEMEN BARTENDER'S HANDBOOK

5 Things To Do With Spunk

Not sure what to do with your white stuff after a hand shandy? Here are some inspired ideas...

1) **The Spider Man –** Jizz in your hand, then make the Spider Man web position with middle finger to wrist, then flick in true web style. This won't get her spidy senses tingling, but it is funny.
2) **Cook with it –** Believe it or not, there is a spunk cook book available to buy, called ***Natural Harvest*** by Paul "Fotie" Photenhauer.
3) **A moisturiser –** Spermine is an antioxidant that is supposed to diminish wrinkles and make the skin feel soft. Stave off ageing and lather it over your face, perhaps.
4) **Make a cocktail –** From the same guy that brought us the cook with cum recipe book, he's also done ***Semenology***, a book for bartenders on mixing jizz infused cocktails.
5) **Write secret messages –** In WW1 MI6 discovered that man milk worked as an invisible ink and was hard to detect.

Super Sex Survey

The National Survey of Sexual Attitudes and Lifestyles ***(NATSAL)*** happens every decade in the UK and the results of the third study have just been released. So, what do the stats say about men and sex in 2013?

- **11.7** is the average number of sexual partners a bloke will have.
- Most men **(19%)** that indulge in anal sex are aged 16-24.
- In the last year, **42%** of men had experienced some sort of sexual difficulty.
- **7%** of men have had some sort of same sex experience, which is one percent less than the last **NATSAL** survey in 1999-2001.
- On average, people only have sex 3 times a month.

Phwoardwalk EMPIRE

Yes, we know we've featured the excellent *Boardwalk Empire* in these pages before, but every time they make a new series, they get new girls to flash their new tits. You can now add Christian Seidel, Maddie Jo Landers and Jo Armeniox to the list, the latter the owner of the magnificent funbags seen below and to your left. Okay, it's no *Breaking Bad*, but did you ever see Skylar's top twats? No.

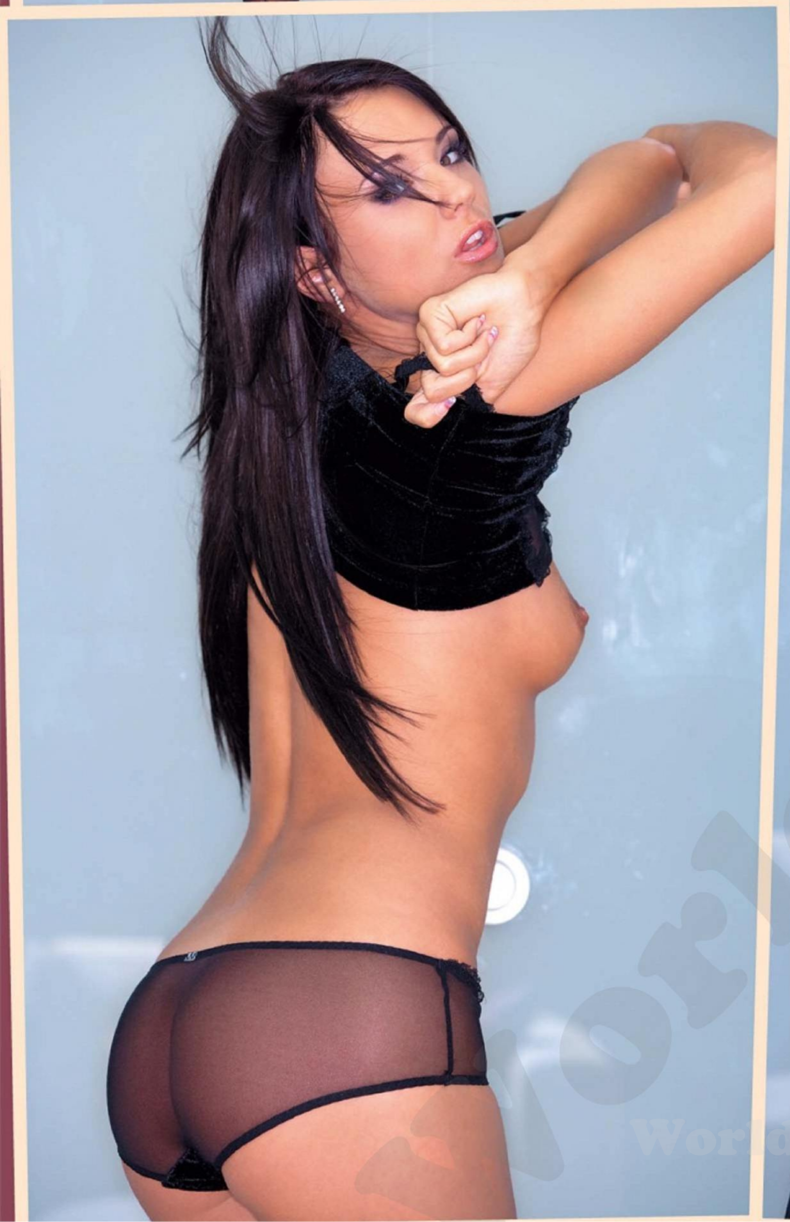
ASHLEY



Ashley Bulgari isn't named after the high-end watch brand. And the high-end watch brand isn't named after her. Other than that, we can't tell you much about Ashley that you can't glean from these photos: she's hot, she's rude and her favourite thing ever is sex. You can set your watch by that...

LENA

We write these words in a single-glazed hole that has us shivering like shitting dogs, so our desire to be where Lena is is two-fold. Obviously we want to get all up next to her fine flesh and see if she'll let us lick her sweet pink bits. But, just as much, we'd just like to get some of those sweet rays and not have to sit at our desks under blankets!

PRP
THE PAUL RAYMOND AWARDS 2013
ADULT FILM OF THE YEAR WINNER

ROCK HARD!

Daisy Rock is a UK porn legend, and she's done it all on her own terms. The recent Paul Raymond award winner spills the beans…

For those who don't know of Daisy Rock, could you please describe your porn 'brand'?
Rock: For those of you that have never heard of the girl Daisy Rock, then you have six years of monkey-spanking footage to forage through at ***www.daisyrockuk.com***. The BRAND Daisy Rock should be described as a diverse sexy lifestyle merely depicted, shot and written about for my fan base to sneak a peek at. I have always been peered at and watched ever since I can remember. Whenever I walk into a room people stare, whenever I talk, people listen, whenever I have sex, people want to see, there are always eyes following me.

There just came a time when I thought that I would love to build a business where people could watch if they wanted to and where I could encourage other sexual creatures to express themselves too. Daisy Rock is a two-way street; not only do I depict a lifestyle but I advocate others to live theirs.

In the beginning, I wanted to engage; I have a strong sexual persona that many ordinary people, like me, were being

punished or ostracised for, being overtly sexual and not being able to express themselves. I was lucky in one way, as I had the choice to be a performance artist on stage at fetish parties or corporate events that let me express myself in such a way.

You first came to our attention way back in 2006, in Harmony's *Sex Club*. What was your first actual foray into the world of XXX?
Rock: That was exactly it; I was called to perform a pole dance in the movie and that was my first. I had met two porn studs that day, and I asked them if I might do a scene with them one day. I think it was three days before I got invited to do one.

What were you doing immediately before, and what made you decide to embark on a career in porn?
Rock: I was a burlesque performance artist and angle-grinder. I always wanted to be an adult actress – I was just waiting until I was ready. There were lots of things I wanted to achieve before, that porn might have prevented me from doing.

What has been your worst non-adult job?
Rock: Well, I have had 70 vocations in my life and the worst was working as cabin crew. I absolutely hated the women's behaviour; they were such bitches to each other.

Were you nervous your first time in front of the camera?
Rock: Yes I was, I am an absolute perfectionist and I desperately wanted to do a good job.

Tell us, if you would, about your latest release, *Pornography*…
Rock: Well, ***Daisy Rock's Pornography*** is now available on DVD exclusively through ***Your Choice***. I feature in six, full-length scenes – and two bonus scenes, Manhunt and Fan Fuck – which totals around three hours of footage, with American stars Sara Jay, Jayla Starr, Totally Tabitha, Richard Mann and British performer Satine Spark. I also work with Steve Holmes in one scene. The scene captures our entire day together. You'll feel the electricity of passion we had between us that day when watching it. I think my business partner *(and the director of the movie)*, Trash Meister, can sum ***Daisy Rock's Pornography*** up: *"With Daisy there is never a dull moment and we have had some amazing experiences through our years of working together. It's very exciting to see some of that come together on DVD. I know that the fun and eroticism we felt making it will be hugely evident to the viewers."*

Were there any amusing / surprising moment's on-set?
Rock: The most amusing thing that has happened to me on set – and the sexiest – was when one of my favourite studs, Omar Galanti, told me he was gonna fuck my arse with his nose. Ha ha, I loved it. I also loved snorting cum off a glass table once.

Have you done any interesting shoots lately?
Rock: I have a shoot coming up that's interesting. I want to shoot a military guy gang bang, and I can't wait!

What have you learnt about sex – and yourself – from your adult career so far?
Rock: I have learnt to own my sexuality and not be ashamed of it.

Congrats on your numerous award wins over the years. How important are they to you and where do you keep them?
Rock: Thank you so much. They have become important; being recognised for your art is a tremendous feeling. My favourite award was the ***UKAP Female Performer of the Year 2010***, as it was a fan vote I was very proud of it. I have also won Most Outrageous Female Performance two years on the trot, among others, and was nominated for three awards at this year's AVN's. I keep them in an award cupboard that someone bought me – it's very kitsch and over the top!

What type of scenes do you enjoy the most?
Rock: I love them all really. I love the high production scenes which allow me to act. I love the funny ones, as I never take myself seriously and I love gonzo as I can just let myself go and be me.

What's your favourite 'nasty' act?
Rock: In porn, I love taking a guy with a strap-on. In private, I just love having sex with a man who is confident, knows what he likes and takes me with passion.

Do you have any sexual fantasies that you haven't fulfilled yet, either on film or in your personal life?
Rock: I have sexual fantasies about certain men I want to fuck. My other fantasies change all the time and it really depends on who I'm with.

Who, in your opinion, is the best shag in porn?
Rock: Oh, I have a few and for different reasons. My super-favourite is Steve Holmes – I would do anything for that man! I like Sensi as he is so sexy, Johnny Cockfill as we have good chemistry and such a giggle. I love Ben Kelly, as he is dirty. I also love all the guys in the States that I have worked with and there's a new guy called Marshall, who will be up there with the best. But I love fucking my fans the best and my real life partners.

Have you always been a bit of an exhibitionist?
Rock: Hell yes, always, but mainly off film. I love shagging in nightclubs and in the back of cabs, and anywhere where you shouldn't!

What is good sex?
Rock: Lots of passion, chemistry, adventure and a man / woman that is happy to pleasure you.

What do you think you're best at sexually?
Rock: I'm famous for my blowjobs!

How often do you masturbate?
Rock: All the time, I masturbate even after I have sex, in my private life.

What's the largest number of blokes you've fucked at one time?
Rock: Five – smaller groups are more intimate. I have been in orgies with more numbers, but with girls and boys.

Honestly now, does size matter to you?
Rock: Well, yes, of course anything too big or small can be a problem, but I love cocks, so shape is often more important than size.

What is the most sensitive part of your body?
Rock: My nipples, neck and thighs in equal amounts.

What turns you on?
Rock: The way a man or woman smells and I love intelligence.

What turns you off?
Rock: The way a man or woman smells and if they are stupid.

What do you look for in a prospective fuck (in either sex)?
I love devastatingly handsome people. I have got to have fun, I love personality and intriguing minds, I get bored so easily.

You've been quite vocal about having been both a Sub and Dom; was the switch a conscious decision or simply a matter of your tastes changing?
Rock: I always wanted to Dom, but I felt that being Sub first would give me an edge for understanding my subjects.

Were you a porn fan before you started out in the sex biz?
Rock: Hell, yes! Belladonna was responsible for all my pornography fantasies.

Do you remember what the first porno you ever saw was?
Rock: Yes, some genius subjected me to *Debbie Does Dallas*, followed by *Animal Farm*. Thanks very much, friends!

If you were producing your own porn movie, who would be in your fantasy cast?
Rock: Just me and Channing Tatum! I do produce my own movies, but if I could have any cast I would always choose an older woman / man, younger woman / man. I think that combination is so sexy.

Which studio would you say is your favourite to work for and why?
Rock: I love to work with Evil Angel, as I love the characters they choose and I am a bit of a character. I loved doing my series ***Bound Gagged And Shagged***, for Playboy. I also loved working for Naughty America.

What has been the most enjoyable job you've had so far in your adult career, and what made it so?
Rock: I think the filming I have enjoyed the most is what I have done, and continue to, for my website ***www.daisyrockuk.com***. When I get together with other performers and we are on my sets, we have so much fun. I also loved working for Christophe Clark and Marco Nero – I love the trips abroad. I also love working with Keni Rye.

What makes your movies special – why should a viewer choose to watch one of your movies over everything else on the shelves?
Rock: I have many emails from people who watch my movies, and the common thing they all say is that they love my emotion and energy. They say it's very unique and very real. My best friends say, *"Oh that is so you"* and they recognise my sex in them.
It's very raw.

Do you like to have sex to music?
Rock: Yes, always! I love deep house or Dubstep.

Is it easy to make you cum? What's the best way to get you off?
Rock: Sometimes it's easy, but the best way to make me cum is with your tongue!

Would you date a fan?
Rock: Well, a couple of boyfriends had wanked over me before they met me, so I guess I would.

What is the weirdest or craziest thing a fan has done for or to you?
Rock: A fan treated me to a holiday once, just for me. I receive great presents; my biggest fan bought me a car, another bought me a Laser umbrella – that was cool! I also have fans visit me from far-flung countries.

Who, out of all the 'celebrities' in the world, would you give anything to fuck?
Rock: Channing Tatum, Juergen Teller and Helena Christensen.

We hear you have been known to perform the odd burlesque routine?
Rock: Yes, I started podium dancing years ago, then acquired talents in freak circus acts. I then went on to perform burlesque with feathers and jumping out of cakes.

What do you do with yourself, other than shoot porn?
Rock: I love to work with amazing photographers, as that is my passion. I love directing and producing films. I also work in mainstream movies. I love writing scripts, and one day I want to write a book about my life.

Any more tattoos planned?
Rock: Yes, I want to get my full sleeve finished and get another cover up on my back.

What are you proudest of?
Rock: I am most proud of the mockumentary I filmed with Jamie Patterson. It's called ***Daisy***, and it's available to buy at ***jumpstartdistributions.com***. ***Daisy*** tells the story of my involvement within the controversial, and multi-billion dollar 'adult film industry'. It depicts my story as I contemplate my life whilst shooting my last film in Ibiza. My story is authentic, without glorification or prejudice. It delivers a deep insight into my personal life as a porn star. It's a no-holds barred film, with no scripted dialogue or second takes, however particular scenes were set up purely for the audience's entertainment, much like ***The Only Way is Essex*** or ***Made in Chelsea***.

What inspires you?
Rock: My own sexuality, all types of film, my fan base and music.

Can you tell us something that your fans would be surprised to learn about you?
Rock: I am very passionate about helping others in their sex lives, and helping young people become confident about their sexualities.

What are your plans for the future?
Rock: I want to film many more exciting scenes, to produce and direct porn films that I always wanted to, to film ***Daisy 2***, the second porn mockumentary. I am also working on collaborations this year, and I'm most excited about a collaboration with a rapper called ***Ghost 67***.

What's the best piece of sex advice that you can give to our male readers?
Rock: Get sweating together with a workout or run. It will raise her dopamine levels, easing her anxieties. Your sweat has androstadienone, a testosterone derivative that spikes her arousal when she smells it. Take time to explore your woman. Focus on her thighs and lower belly. Make a mental circle 2 inches around the outside of her vagina and don't cross the line while you kiss, lick, and caress. Women need at least 20 mins to orgasm, so take your time. Then, when you're deep inside her pussy, add side-to-side movement or up-and-down pelvic pressure against her clitoris to vary the stimulation.

Also, give your woman many compliments and talk to her during that sexy time. Tell her she has beautiful breasts. More intimately, tell her that her pussy feels so soft when you're inside her.

How can our readers get in touch with you?
Rock: They can contact me through ***www.twitter.com/daisyrockuk*** also my email attached to my website ***www.Daisyrockuk.com*** or my blog **www.daisyrockblog.com**.

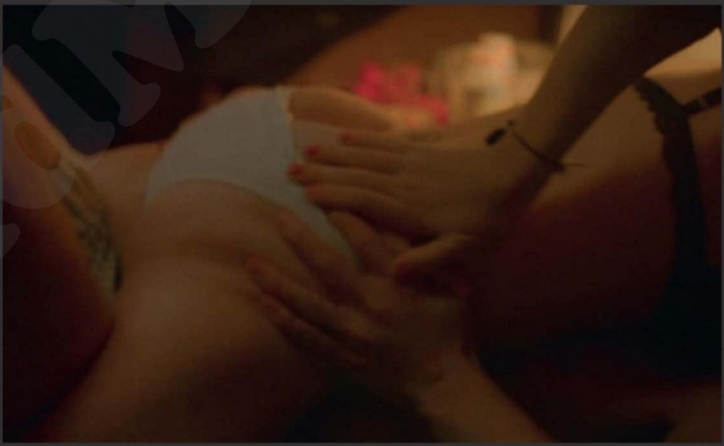
Jena MALONE

Jena Malone first turned our heads as the enigmatic girlfriend in *Donnie Darko*. The former child star has since gone on to turn us on in the largely dreadful *Sucker Punch* and *The Go-Getter*. But if you want to enjoy Malone when alone, we recommend *The Messenger*. Yum.



FAKING it!

In our dreams, this is exactly what our favourite celebs would look like naked. But of course that's all that these photos are, impure figments of our imagination. It doesn't hurt to look though, does it?

FAKING it! STAR of the MONTH...

WHO KATE DID!

Well, I'm guessing your readers will have seen plenty of shoots with me in over the years, so they've probably got a good idea that there's not much for me to confess to – I've done pretty much everything a girl can do in front of a camera. I even did boy/girl a couple of times, though those shoots are thankfully hard to find (I prefer to keep that to my private life – the men I date get very jealous if they see footage of me fucking another guy).

Anyway, there was a time recently, though, that something happened on a shoot that I wasn't expecting in the slightest and I wanted to tell you about it here. I had been flown to the US to shoot a calendar by a young, upcoming photographer by the name of Kate. I hadn't met her before but we got the same flight (she's British and was scouting for girls where I live on the continent) and so we bonded over white wine and peanuts as we flew over the Atlantic. Kate was funny, intelligent and sexy, but I date guys in my personal life so it didn't cross my mind that I'd want to sleep with her.

Once we started doing the shoots, we settled into a very relaxed working method. It was glamour stuff, not adult, so I rarely had to do anything ruder than topless, and Kate was getting some fantastic outdoor shots, really dramatic stuff of me against sunsets, stunning views, that kind of thing.

Then, one afternoon, after her crew had packed up and left just the two of us on a set that we shot an outdoor shower scene on, I asked Kate if she'd ever shot porn. She said she hadn't, that it wasn't her thing, but I joked that she should as it'd look so great. As it was just the two of us there and the set was still standing, she said, "Let's give it a go, then. Get your clothes off!"

I went into full porn mode, totally disrobing for Kate and getting myself into classic porn poses for her while she snapped away. I told her not to be shy, to come in for close-ups as I was holding my pussy lips open and squeezing my boobs together, so she really leaned in and got the rudest shots she could. It felt extra-naughty, knowing that Kate hadn't done this kind of thing before, and I was surprised at how wet I was when I slipped a finger inside myself for her.

"God, this is really turning me on," said Kate as I started masturbating for real in front of her lens. I didn't need any more encouragement than that – I took the camera out of her hand and placed her fingers at my wet hole and told her to put them inside me. Which she did, just as she leaned in for a long, slow kiss.

My hands wandered to her hips and I pulled up her cotton skirt and cupped her pert arse cheeks while she snogged and fingered me. I managed to pull her knickers down and get my fingers into her pussy from behind, pleased to find it as wet as mine, and I inserted a finger while she started rubbing faster, bringing me to the verge of orgasm within a few moments. I grabbed her and kissed her hard as I came, oozing juice over my photographer's hand.

As soon as I had my breath back, I pushed Kate back from me and started to undress her with determination. She had a beautiful, gym-toned figure – lithe, but with big, firm boobs and a neatly-shaved pussy, and I kissed her all over as I pulled off her clothes. She was moaning and writhing as I did so, both of us so turned on.

I placed my face between her legs and stroked her clit with my tongue. As I did so, I'd look up to her and we would stare into each other's eyes before I'd get back to licking. I loved the salty taste of her pussy, and it reminded me that I really should date women as well as men in my private life, there's a

SANDRA

world of difference to the sex, and it's really amazing. Not before long, I could sense that she was about to cum. I pressed my thumb hard against her clit and pushed a couple of fingers in between her lips until I found her hole. As I pushed them in, Kate's body pushed so hard against me, so desperate she was to orgasm at my touch. Fingers and thumb in place, I moved my body up Kate's body and planted a passionate, wet kiss on her mouth and she came instantly. It was noisy and violent, and as soon as she calmed down she helped pull my fingers from her and we both shared the taste of her juice. She was greedily licking it from my fingertips, so I would put my hand back between her legs and get it wet again before bringing it back up for us both to share.

It was at this point that Kate told me she'd never been with a girl before! Well, that thought got me super-horny again in a matter of seconds. Taking a girl's lesbian-virginity is a real treat, because you're giving them something so new and sensual.

So now she had a taste for cunt (even if it was her own) it was time for Kate to go to town on mine. I lay back and ordered her to eat me out, and told her to take her time doing it too. And Kate was a natural. Every little movement she made, every tiny touch of her tongue made my pussy tingle. I totally had the feeling that she wasn't only doing it to bring me pleasure, but that every lick and suck, every time she put her fingers inside me and licked them when she brought them back out was a journey of discovery for her, a sudden realisation that the taste and feel of a woman's cunt was the sexiest thing in the world.

She clamped her lips against my pussy lips and started licking hard and fast, running her hands up my body to grab and squeeze my tits. I started a motion with my hips, gently pressing myself into Kate's face as she worked me. Once again, our eyes made contact while she pleasured me, and that added the extra level of frisson that I needed to start bringing me to the brink of cumming again. She squeezed my breasts hard, feeling the stiff nipples between her fingers, as I started moaning and thrusting into her face, flooding her mouth with my juice. She moaned too, and the buzzing sensation it sent through my clit was amazing – I came for a full minute, not letting her go until I was totally unable to wring any more pleasure from the sensation. I'm surprised she could breathe!

After that, it was basically an afternoon and evening of fucking, briefly broken up by us going out for a meal and learning more about each other. She'd broken her lesbian cherry, I'd remembered that screwing girls was as much fun as doing it with guys. The rest of the trip was, as you can imagine, based around the pair of us finding moments to fuck each other. I miss Kate – we live in different countries – but we keep in touch online. And whenever we're in the same town (once or twice a year) then we're guaranteed to pick up where we left off…

Evan Rachel WOOD

The beautiful Evan Rachel Wood knows how to ration out her nude scenes just enough to leave us fiending for more. The boobs are out in 2013's *Charlie Countryman*, but before that you have to go back to 2011's *Mildred Pierce* to witness her full-frontal furburger. And then it's all the way back to 2007 for *Across the Universe*. See you in 2015!

ADELE STEPHENS

Adult Sport trawls the wank banks to celebrate our formative fuck-fancies...

We can be forgiven for our lack of solid information on Adele Stephens. After all, she had more pseudonyms than a secret agent, with successive magazine editors calling her, variously, Adele Stephens, Adele Stevens, Dionne, Rachel and more. Worse, they put her location as London, Los Angeles and all points in between. In fact, she was from the far less glamorous locale of Wakefield, Yorkshire, and was one of our favourite glamour girls for, ooh, yonks. Huge 34E boobs (natural, naturally), cover-girl looks and a nigh-on perfect body saw Adele grace magazines all over the world, a regular fixture in *Mayfair*, *Men Only* and *Club International*. She never did proper boy/girl either, just a few soft/hard magazine shoots toward the end of her career. Shame – that rack was made for titwanks! We once had it on good authority that she was a bus driver during the early parts of her modelling career (we'd have gladly hopped on and hopped off) and, while we're not sure of this, we do know that for over a dozen years she was the recipient of gallons of the good stuff from us. We salute you…

Wanking, great for those orrible cowd mornings, warms up the cockles my dear! Great start for a dirty morning.

I've woken up in the middle of the night dreaming that I was kissing Prince William in the Brighton pavilion. Mmmmm Where's my head at?

Looks like I might be getting a little naughty tonight with a few Lotharios. Drinks on me, pussys with me, cocks in me.

@MsVeracruzXXX You have the BEST boobs in the porn industry <3 we should DEFINITELY do a scene so I can suck them ;)

This bill is gonna be ridiculous.

I know I put those restraints & some other sexy things on my amazon wishlist last night, but I'm gonna need them this weekend!

LISEN

Lisen might act like she doesn't know she's doing it, but we reckon she's well aware that taking all your clothes off except for a pair of boots is a surefire way of encouraging erectile activity in men. Without the boots is enough, but keeping them on? That's the touch of a chick who knows how to pleasure the pecker...

Violante PLACIDO

Ciao bella! Born in Rome, Italy, the red-hot Violante is no stranger to sharing her flesh with her fellow Eye-ties in domestic cinema. We're happy to track that stuff down, but she spared us the bother by baring her rack in 2010's *The American* opposite George Clooney. It's not he's drowning in tits, after all...

The Beautiful Game

40 SEX ACTS TO TRY IN 2014

A New Year means new sex adventures. We've put together a check-list of 40 (doable) sex experiences to tick off solo, or with a partner. Some you may have already done. Good for you, you're ahead of the game. For anything left un-ticked, you've got until 1st January 2015 to complete them. Get going! *by Rose Crompton*

☐ Read some porn. Both erotic novels, or your favourite filth mag like *Adult Sport* counts for this one.

☐ Cop off, or knock one out, in a mate's house and keep it as your own 'little secret'.

☐ Go sex toy shopping. Both online and on the high street counts. Double tick if you go with your missus.

☐ Do 'it' to the new Arctic Monkey's album, by the band's own admission it's the sexiest record they've made.

☐ Go to a strip club. Double tick if you get a private dance, treble tick if you go as a couple and have a private dance.

☐ Indulge in Manscaping, because pubic topiary shows your woman you care and can make your cock look bigger.

☐ Cook a romantic meal for two and then fuck on the table once dessert is done. Double tick if you leave the dishes there and don't break any.

☐ Ditch the gym routine for a week each month and have a sex workout every day instead.

☐ Have a go at rope bondage, because it looks hot. Check **Esinem.com** for excellent features and tutorials.

☐ Be tied up and let her have her wicked way with you. Remember a safe word, in case she gets carried away.

Sensuous
MADE WITH REAL BELGIAN CHOCOLATE
Cointreau Deluxe
Body Chocolate

Body Chocolate
Kahlua Deluxe
Body Chocolate
MILK CHOCOLATE - NO ARTIFICIAL ADDITIVES OR FLAVOURINGS

☐ Play with body chocolate. There are some luxury ones made from Belgian chocolate, like Sensuous Deluxe ***(£14.99, Harmonystore.co.uk)***.

☐ Try role play, complete with some form of costume. For inspiration check out ***Roleplayingfantasies.com***.

☐ Master the multiple orgasm. Trying to wank to the brink, but not ejaculating is no mean feat!

☐ Cop off in a tent, on a camping trip and don't be shy about making noise. Mind the lights and shadows.

☐ Go to a sex master class to learn a new sex skill like domination, spanking, or new oral sex skills. Check out Co-co de Mer, or Sh! Womenstore for some listings.

☐ Keep your clothes on during sex, only moving the necessary underwear to the side.

☐ Tweet a porn star and get them to retweet you, or reply. Double tick if they follow you back.

☐ Knock one out in every room of your house just because you can.

☐ Go to a swingers club *(you don't have to join in, but you probably will)*.

☐ Try the We-Vibe 4 couples vibe that can be used while you have sex! See ***We-Vibe.com*** for stockists.

☐ Watch your lover masturbate and climax at least once before offering her a helping hand.

☐ Slowly, kiss a lover from head to toe as part of your foreplay.

☐ Have silent sex. This is harder and much more erotic than you may imagine!

☐ Do it doggie-style in front of a full-length mirror.

☐ Experiment with having your nipples played with. Double tick if you get as far as clamps.

☐ Take it up the bum – either a cheeky little finger, butt plug, or a prostate massager. Remember the lube.

☐ Describe a sexy scenario before sex, or talk dirty while having sex. “Oh, baby, harder,” or “Do you like my big cock?” does not count.

☐ Wake up early and have sex before going to work.

☐ Make out passionately with someone, without it leading to sex.

☐ Get her aroused in public, to the point where she's gagging to rip your clothes off once home.

☐ Spend a whole day nude, wanking or fucking as and when the mood takes you.

☐ Have a go at spanking, both giving and receiving, using your hand or a whip of some kind. Remember a safe word.

☐ Have a retro wank using your older copies of Adult Sport *(other porn mags are available, but aren't as good)*.

☐ Use a sex toy on someone else.

☐ Learn how to give an erotic massage.

☐ Have a girl fill her mouth with champagne *(or sparkling wine)* then give you a blow job.

☐ Indulge in al fresco sex in a field or woodland area in the summer. Just make sure you won't be spotted and potentially arrested.

☐ Have sex by candlelight. Aw, romantic.

☐ Purchase a piece, or make your own, erotic art and hang it in the bedroom. The Guild of Erotic Artists is an excellent and affordable place to look.

☐ Share a sexy fantasy. Either tell your lover/fuck buddy, or write it down for them to read at their pleasure.

VICTORIA

Victoria has a confession – she likes to go to open-houses with a fuckbuddy (male or female doesn't matter) and fuck in the empty rooms. She's yet to bid on a single property, but she's got laid in dozens. We're not sure what it does to house prices, but it certainly makes something rise in our pants.

Kim
DICKENS

We adored Kim as tart with a heart Joanie Stubbs in the awesome *Deadwood*, but she left our wood dead by refusing to strip off. She's since made amends with boobage and bummage in *Things Behind the Sun*, *Hollow Man* and in the latest series of *Sons of Anarchy*. Buns of Anarchy, more like...

EUROPEAN UNION!

Hot Sinners

Starring
Sofia, Gilda Roberts, Regina Moon, Madison, Aliz, Britney, Yoha

Directed By
J. F. Romagnoli

Available From
Harmony Films

Usually, our on set experiences with Harmony involve us finding some backstreet warehouse locale in outer London, brilliantly set-dressed for the likes of Tanya Hyde to work their filthy magic on. We're quite unused to packing our swimming trunks and our factor 30. But this is a rare excursion into all-Euro porn for Harmony, and the sets are beaches and boats.

Yep, it's a tough job, and made even tougher by our poor attempts to contain our hard-ons in our Speedos as we witness a couple of our favourite Euro babes getting their pussies and puckers plundered. Aliz is an increasingly naughty girl, while blonde Britney seems entirely accustomed to having unrealistically sized penises put into her bum. Having a – literally – ringside seat as she hops off said cock and licks it clean, tasting her mingled pussy and arse juices, her eyes fixed on her stud, convinces you that she's not playing when it comes to passion. This girl lives for cock. We're so close we can smell it.

The girls can't speak English, ***Adult Sport*** can't speak any of the cocktail of languages on set, but as most of the conversations are conducted in body language – cum-spattered girls, journalists with lumps in their pants and a red face – we all know the score…

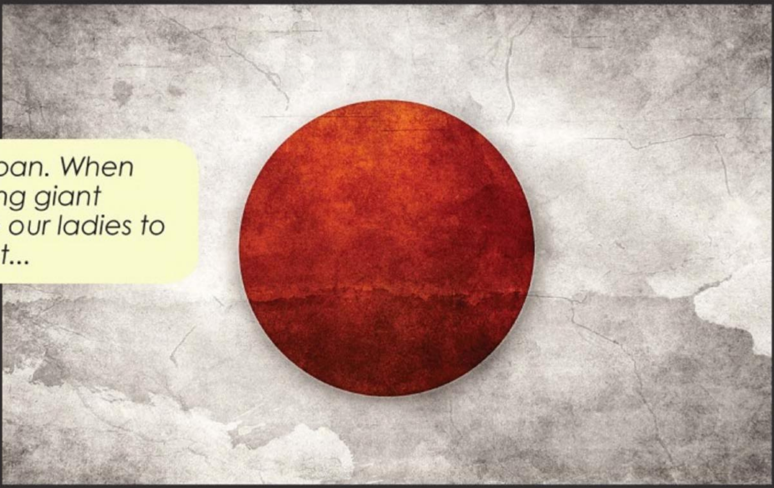
Welcome to Japan. When we're not wearing giant nappies, we like our ladies to get their nips out...



NIP AND FUCK!

Adult Sport casts its net wider than ever to bring you the finest screen sorts from all over the world. This month we travel to Japan, studiously avoiding all jokes about 45 degree vaginas and geishas. Or is that China?

SOLA AOI

Sola isn't really a mainstream actress. The babe from Tokyo has made her career in the adult film industry, which isn't a massive surprise when you clock a load of her – especially those quite wondrous top-cunts. Her success has led to a couple of mainstream roles, albeit in films that neither you nor I will ever see. *The Big Tits Dragon* (2010) and *Man, Woman and the Wall* (2007) didn't get a big UK release for some strange reason, but when it comes to sexy Japanese tweakage movies, you can't beat them. And, unlike their books, you haven't got to start at the end…

RINKO KIKUCHI

Considering that Miss Kikuchi got nominated for a ton of awards after her brilliant performance in 2006's *Babel* (including a Golden Globe and an Oscar), it's genuinely surprising she hasn't gone on to bigger and better things. The 32-year-old from Hadano, Kanagawa was in *Pacific Rim*, but that was a bit part at best. Speaking of her bits and parts, you can bear witness to them in the aforementioned *Babel* as well as in 2009's *Map of the Sounds of Tokyo*.

LEISHA HAILEY

No, we didn't know either, but it turns out that Leisha Hailey, 42, was born in Japan. We can safely assume her parents weren't Japanese (they were American) but after being born in Okinawa she grew up in Nebraska, came out as a lesbian then launched a career as both a singer and actress. Her bands – The Murmurs and Uh Huh Her – needn't trouble you (not that they're terrible) – but as an actress she did truly fine work as the lead in the long-running TV series *The L Word*. Her boob count was low for a show that ran for 6 years, but she's subsequently fixed that by flopping out her heavy hangers in 2010's *Fertile Ground*. She's about as Japanese as Bernard Manning, but we'd definitely snack on her sushi.

REIKO IKE

If you Wikipedia Reiko Ike (as we had to, naturally), you'll discover she's famous in Japan for starring in a genre known as 'pink films'. In the West, that would pretty much mean you were getting your back doors kicked in around the clock with a bunch of cameramen watching, but in Japan it's somewhat more innocent. Reiko's is more of an exploitation career, starring in schlock such as *Girl Boss Blues* (1971), *Terrifying Girls High School* (1972) and its sequels and *Battles Without Honor and Humanity*. The now 60-year-old kicked ass, toted guns and got her little boobs out. Brill.

NAOKO WATANABE

We can't even begin to pretend that Naoko Watanabe is an internationally famous Japanese girl. Then again, how many are? The Region 3's like to keep things to themselves, and we can see why they've hogged this girl. Born in the Kanagawa Prefecture in 1984, Kaoto made he debut in 2005's *Noriko's Dinner Table*, but then did her very rude stuff in 2007's *Silk* and 2010's *Nude*. The 29-year-old's fantastic body deserves wider exposure – which is perhaps why she published a book of nude photos of herself in 2012 called *Dawn*.

Charlotte GAINSBOURG

The extremely rude looking *Nymphomaniac* isn't out quite yet, but there is still tons of Charlotte Gainsbourg to enjoy yourself to. The 42-year-old has got her perky Birkins out in lots of films, but went the whole hog in the mental and enjoyable *Antichrist*. But if you're not into the whole psychosex thing, check out 1996's *Love, Etc*... Ahhh.

TRACEY & VALERIE

These two clearly enjoy playing dress up. But they equally enjoy a bit of dress down as well, especially when they end up with tongue applied to twat and fingers that re-define sticky. They got so carried away that we lost the deposit from the fancy dress place we hired all this guff from. But these pictures? Priceless!
